URBAN ITALIAN DESIGN

Benches

Scan for full technical details and the always up-to-date bench range.

High-performance seating solutions designed for comfort and resistance in diverse architectural contexts. Available in various materials and finishes.

SKU: UIDEL4137_BP

Aura

An integrated, concrete planter bench with Okoume wood seating, engineered for municipal landscapes across GCC and EU markets. Made in Italy.

Dimensions
Overall 215 × 140 × 65 h cm — Planter 135 × 60 × 65 h cm

SKU: UIDPS1787

Block

Reinforced concrete bench with a walnut-stained Okoumé wood backrest on galvanized steel supports, for municipal streetscapes. Made in Italy.

Dimensions
Length 200 cm, Width 50 cm, Height 92 cm

SKU: UIDRN 9208

Axis

Monolithic, reinforced concrete bench with Nordic pine seat, engineered for municipal public spaces across GCC and EU markets. Made in Italy.

Dimensions
Length 150 cm, Width 60 cm (top) – 40 cm (base), Height 45 cm

SKU: UIDPS1537

Frame

Reinforced concrete bench with backrest and a perforated seat, in a travertine-effect finish, for civic plazas and promenades. Made in Italy.

Dimensions
Length 220 cm, Width 60 cm, Height 90 cm
— Seat height 50 cm — Weight approx. 710 kg

SKU: UIDPA178B8_BP

Prisma

Monolithic, reinforced concrete bench with chamfered edges and a stone-effect white finish, for public squares and promenades. Made in Italy.

Dimensions
Length 200 cm, Width 50 cm, Height 50 cm
— Seat and support thickness 12 cm — Weight approx. 350 kg

SKU: UIDPA1688_BP_OK

Domus

Reinforced concrete bench with a seat of six walnut-stained Okoumé wood slats, for public parks, promenades and civic squares. Made in Italy.

Dimensions
Length 200 cm, Width 50 cm, Height 50 cm
— Okoumé slats 2000 × 70 × 30 mm — Weight approx. 360 kg

SKU: UIDRN 4038

Oasis

Monolithic, reinforced concrete bench with integrated circular planter, engineered for civic plazas across GCC and EU markets. Made in Italy.

Dimensions
Length 150 cm, Width 60 cm (top) – 40 cm (base), Height 45 cm
— Planter Ø 38 cm, Height 40 cm

SKU: UIDRN9059

Dualis

Polished white concrete bench with a walnut-stained pine slat seat and backrest, for public parks, promenades and urban areas. Made in Italy.

Dimensions
Length 150 cm, Width 60 cm (top) – 40 cm (base), Height 85 cm

SKU: UIDA4426

Curved Armrests Bench

Galvanized steel bench with curved armrests and wooden seat slats, for public parks, plazas and high-traffic pedestrian areas. Made in Italy.

Dimensions
Length 195 cm, Width 60 cm, Height 79 cm

SKU: UIDRN4308

Agora

Monoblock polished white concrete bench with an integrated conical planter, for public squares, hospitality and luxury venues. Made in Italy.

Dimensions
Overall 220 × 90 × 70 h cm — Planter Ø 90 cm, Height 70 cm

SKU: UIDA4887_SS

Linear

Galvanized steel bench with a corten-effect finish and a seat of four wooden profiles, for parks, promenades and streetscapes. Made in Italy.

Dimensions
Length 200 cm

SKU: UIDA4146

Double Wave Bench

Double-sided bench with wave-shaped laser-cut steel supports and a treated pine slat seat, for parks, promenades and terraces. Made in Italy.

Dimensions
Length 180 cm

SKU: UIDA5018

Chaise Lounge

Outdoor chaise lounge with laser-cut shaped steel supports and 27 Okoumé wood slats, for promenades, resorts and spa terraces. Made in Italy.

Dimensions
Length 200 cm, Width 81 cm, Height 84 cm

SKU: UIDA4688

Vela

Bench with sail-shaped laser-cut steel supports and a seat and backrest in exotic wood, for public parks, squares and resorts. Made in Italy.

Dimensions
Length 200 cm, Width 70 cm, Height 100 cm

SKU: UIDA4728

Onda

Curved bench with laser-cut shaped steel supports and walnut-stained exotic hardwood slats, for parks, promenades and squares. Made in Italy.

Dimensions
Length 160 cm, Width 60 cm, Height 82 cm

SKU: UIDA4858

Essenziale

Galvanized steel bench on two C-shaped supports with a seat of four treated wood profiles, for parks, walkways and promenades. Made in Italy.

Dimensions
Length 180 cm, Width 47 cm, Height 45 cm

SKU: UIDA4898

Quadrotti

Bench with a square-perforated laser-cut steel seat on white concrete base supports, for parks, walkways and pedestrian areas. Made in Italy.

Dimensions
Length 200 cm

SKU: UIDA4668

Fiore

Galvanized steel bench with flower-stem shaped supports and a treated exotic wood seat, for public parks and pedestrian areas. Made in Italy.

Dimensions
Length 200 cm

SKU: UIDA4587

360 Degree Bench

Circular galvanized steel bench in two semicircular elements, with square and round tube frame, for squares, parks and hotels. Made in Italy.

Dimensions
Diameter 220 cm, Overall height 80 cm, Seat height 45 cm

SKU: UIDA4247

Aosta

Galvanized steel bench with laser-cut plate supports and a round steel tube seat and backrest, for parks, squares and gardens. Made in Italy.

Dimensions
Length 200 cm, Width 69 cm, Height 81 cm

SKU: UIDPA 2538

Flow

Curved backless bench in concrete with travertine-effect finish and polished seating surface, for squares, parks and walkways. Made in Italy.

Dimensions
Length 205 cm, Width 50 cm, Height 50 cm

SKU: UIDA4356_PM

Classic

Cast iron bench with impregnated Nordic pine wood slats and a traditional profile, for parks, promenades and historic centres. Made in Italy.

Dimensions
Length 185 cm, Width 60 cm, Height 70 cm

SKU: UIDA4447

Venezia Tondo

Galvanized steel bench with round steel grating seat and backrest on curved supports, for squares, parks and pedestrian areas. Made in Italy.

Dimensions
Length 183 cm, Width 69 cm, Height 85 cm

SKU: UIDA4167

Venezia

Compact galvanized steel bench with round tube seat and backrest on laser-cut steel supports, for squares, parks and walkways. Made in Italy.

Dimensions
Length 150 cm, Width 69 cm, Height 86 cm

SKU: UIDA4277

Semi-Circle Bench

Semi-circular galvanized steel bench with rod seat and backrest on arched supports, concave or convex, for parks and pathways. Made in Italy.

Dimensions
Length 200 cm, Width 87 cm, Height 79 cm

Born in Italy, built for the city.
Where **every bench becomes a place to belong.**

Where craftsmanship meets quiet luxury, **every seat tells a story of home.**

Bike Racks

Scan for full technical details and the always up-to-date bike rack range.

Urban Italian Design designs and manufactures Made in Italy bike racks for urban mobility, bicycle parking, and public realm organization in public and private outdoor environments.

SKU: UIDB3079

Spiral Bike Rack

Galvanized steel rack with a continuous spiral element set between two inverted U-shaped supports, for parking seven bicycles. Made in Italy.

Dimensions
Length 250 cm, Width 42 cm, Height 42 cm — Capacity 7 bicycles

SKU: UIDB3289

Engraved Concrete Bike Rack

Galvanized steel rack for seven or nine bicycles, with white vibrated concrete side panels engraved with a blue bicycle motif. Made in Italy.

Dimensions
Length 235 cm — Capacity 7 or 9 bicycles

SKU: UIDB3247

Double-Sided Bike Rack

Double-sided rack on an 80 x 80 mm galvanized steel frame, with round tube parking elements, for high-density bicycle parking. Made in Italy.

Dimensions
Length 200 cm

SKU: UIDB3237_CLS_9

9 Bike Rack

Hot-dip galvanized steel rack for nine bicycles on self-supporting reinforced white concrete bases, with no anchoring required. Made in Italy.

Dimensions
Length 275 cm, Width 75 cm, Height 60 cm — Capacity 9 bicycles

SKU: UIDB3223

Bike Shelter

Galvanized steel bike shelter with 4 mm compact polycarbonate roof and RAL-customizable powder coating, for multiple bicycles. Made in Italy.

Dimensions
Length 400 cm, Width 200 cm, Height 218 cm

SKU: UIDB3015_STORY

Horizontal 5 Bike Rack

Galvanized steel rack for five bicycles, with round tube parking elements and side supports topped by decorative cast spheres. Made in Italy.

Dimensions
Length 190 cm, Width 42 cm, Height 36 cm — Capacity 5 bicycles

Oblique

Modular sorting system of two or more 60 L steel containers with sloping, laser-cut engraved lids, for squares and promenades. Made in Italy.

Dimensions
Width 30 cm, Depth 30 cm, Height 75 cm per container
— Capacity 60 litres per container

SKU: UIDC1667_KRSU_AT

Mille Fori

Perforated galvanized steel container with Ø 30 mm laser-cut holes and a coloured sorting lid, 120 L, for streets and squares. Made in Italy.

Dimensions
Width 40 cm, Depth 40 cm, Height 90 cm
— Capacity approx. 120 litres

SKU: UIDC1268

Front-Opening Bin

Galvanized steel bin with front opening, sandblasted white concrete base and a roof that doubles as an ashtray, roughly 120 L. Made in Italy.

Dimensions
Width 50 cm, Depth 50 cm, Height 100 cm
— Capacity approx. 120 litres

SKU: UIDC1699

Separated Waste Collection Container with Ashtray

Three-compartment galvanized steel bin with canopy, fixed ashtray and coloured sorting labels, 150 L total, for urban streets. Made in Italy.

Dimensions
Width 50 cm, Depth 50 cm, Height 100 cm overall
— Total capacity approx. 150 litres

SKU: UIDC1667

Corten waste container

Steel container with corten-effect powder coating, top-opening emptying and internal bag holder, 120 L, for streets and parks. Made in Italy.

Dimensions
Width 40 cm, Depth 40 cm, Height 90 cm
— Capacity approx. 120 litres

SKU: UIDC1109_CS

Goblet

Slatted steel basket on a galvanized pole with a decorative top sphere and protective canopy, emptied with an Allen key, 28 L. Made in Italy.

Dimensions
Width 33 cm, Depth 41 cm, Height 120 cm overall
— Usable capacity approx. 28 litres

SKU: UIDC1109_K3RSU

Three-Bin Goblet

Three slatted steel baskets around a central galvanized pole with decorative sphere, 28 L each, detachable ashtray on request. Made in Italy.

Dimensions
Width 89 cm, Depth 89 cm, Height 110 cm
— Usable capacity approx. 28 litres per basket, three baskets

SKU: UIDC1348_POS

One Waste Container

Flush-mounted galvanized steel container, hinged front door, internal bag ring, stamped canopy and white concrete base, 120 L. Made in Italy.

Dimensions
Width 50 cm, Depth 50 cm, Height 98 cm
— Capacity approx. 120 litres

SKU: UIDC1067

Florence with Canopy

Post-mounted cylindrical bin in galvanized steel, with stamped steel rain canopy, forged ball finial and drained bottom, 36 L. Made in Italy.

Dimensions
Width 30 cm, Depth 41 cm, Height 128 cm
— Capacity approx. 36 litres

SKU: UIDC1017

Ponente

Cylindrical galvanized steel bin on a buried post with forged ball finial, laser-cut bracket and drained base, 36 L, open top. Made in Italy.

Dimensions
Width 30 cm, Depth 41 cm, Height 128 cm
— Capacity approx. 36 litres

Bollards

Scan for full technical details and the always up-to-date bollard range.

Urban Italian Design designs and manufactures Made in Italy urban bollards for access control, perimeter definition, and pedestrian safety in public and private environments.
